***Reasons for Allowance***

1. Claims 2, 9, 15 and 18 are cancelled.
2. Claims 1, 3-8, 10-14, 16, 17 and 19-34 are allowed.
3. This is examiner's statement of reasons for allowance.

Regarding claims 1, 3-8, 10-14, 16, 17 and 19-34 the prior art, either singularly or in combination, does not teach or suggest a scanning method applicable for use in a scanner having a document plane for supporting a document, the method comprising:

scanning the document plane to obtain a distribution range of a light source, the distribution range defining a first area of the document plane;

scanning a second area of the document plane covered by the document to extract an image of the document, the second area being smaller than the first area, where the second area of the document plane corresponds to an orientation of the document positioned at an arbitrary angle on the document plane; and

changing an orientation of the distribution range to correspond with the arbitrary angle of the document.

The features identified, in combination with other claim limitations, are neither suggested nor discussed by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
